

# INSTITUTE OF FORENSIC SCIENCE AND CRIMINOLOGY,

PANJAB UNIVERSITY, CHANDIGARH

**3<sup>RD</sup> GLOBAL ALUMNI MEET, PUA**

Who does not like to hear about the experiences that we might also be experiencing in the near future?

The concept of alumni association evolved for the needs from both ends, i.e., academicians and the professionals, in the aim of building a bridge between the academic life and the career life, so that the fresher students are made proactive to face the current challenges of competitive professional world. This idea is very important in various aspects which helps in evolving the students for overall development of professional traits.

The third global alumni meet was conducted in the Institute of Forensic Science and Criminology (IFSC), PU, under the supervision of chairperson Dr. Vishal Sharma and faculty of the department, Dr. Shweta Sharma, and Dr. Jagdish Rai, via online mode on 5<sup>th</sup> Nov. 2022 at 5.30 pm so that the alumni from abroad can be connected comfortably.

It was a great experience for the current students of the department to listen about the incredible success stories and experiences from the alumni of PUAA. Existing students of the department were enlightened with the rich experiences of the department's alumni currently working in the various fields of forensic science.

The department is proud of the achievements of its alumni in their careers and the laurels they have brought to IFSC, PU. Further, this event was full of talks related to professional needs of our very reputed field of forensic science. Our alumni also shared dulcet memories of their academic days along with pictures of their trips (Trip to Dalhousie, April 2013) and the vivid experiences they had in the department. It was really an overwhelming experience for both the alumni and the teachers as they share much deeper bonds with our alumni than just being their teachers.

The distinguished alumni Ms. Ruchi Sharma (Assistant Director, FSL, Mohali, Punjab) and Dr. Navdeep Kaur (Senior Scientist (conjugation), EPPD, USA) guided the existing students of the department with the unfiltered experiences and the problems that might occur when working professionally in this field. They motivated the students with their kind words and positive approach towards life.

Conclusively, the meet ended with one of the quotes our alumni,

*“Never ever settle, until, you are proud of yourself.”*

### GLIMPSES OF ALUMNI MEET
